

Importing things into any country today is not as confusing as it used to be once, just tell us what you have on mind and we will lead you step by step to the most adequate and economical way to how to purchase our products and receive them at your door step. It works like this:

First you need to see our wholesale prices, to do so please contact us. The information you will provide must be satisfactory to prove that you are a qualified dealer. The information you give will never be released to any third party.

Second Now you can add the desired items and quantities to the "Inquiry Cart", checkout and submit. **This does not mean that you are ordering anything yet.**

Upon receiving your inquiry we will send to you complete and detailed information regarding your inquiry like prices, payment, packing, delivery schedule, shipping options, shipping costs and any other information you need to know prior to confirming your order.

We will support you and provide you with whatever information you need to know about our products and services; don't hesitate to ask and inquire.
